Inaugural Membership Highlights

What do you get?

- 2 years YMCA family membership.
- \$1,000 tax-deductible donation to the building fund (refundable if the facility is not built). IRS #37-1117778
- Your family name on an Inaugural Membership plaque to be placed in the new YMCA building.
- A big hug from every kid who plays a YMCA sport.

Why would you want to do this?

- This has been a 20-year dream that is very close to coming true.
- We are proposing a new \$2 million facility and Old Capital Foundation has committed to \$1 million of the cost.
- This facility will add to the existing services Kaskaskia College has to offer on its campus.
- This is our real shot to make it a reality.

Can the Y manage the new facility and is my contribution safe?

- With a new full service facility (gym, walking track, weight/cardio area and classroom space), we will be able to hire a full-time professional manager.
- The Old Capital Foundation has agreed to make a \$500,000 donation upon the completion of the building to fund an endowment account to help cover any facility operating budget deficits.

Inaugural Membership fund-raising goals

- To have 350 family memberships, with 50 of those being new members, a \$350,000 building donation.
- To build excitement within the community.
- To add five additional board of director members, to help set YMCA policies.
- To find additional people who have a passion for a specific activity and allow them to help build on that passion through coaching or commissioning that activity.
